Don't let the deadline buzz right past you. 🐝 Thursday, June 30 is the last day to submit your photos for our Celebrate Nebraska Pollinators Photo Contest. We are looking for great photos of wildflowers and native plants in bloom, pollinators in action and even photos of you hard at work planting and tending to your pollinator-friendly yards. Simply use #PlantWildflowersNE when you upload your photo, and you will be entered in a drawing to win one of two prize packages! You can also submit photos that you posted in the past by commenting on the photo
