MAKING A DIFFERENCE

Who trains more than half of Nebraska's doctors, dentists and nurses?

Who educates 50% of Nebraska's doctors practicing in rural areas?

Who educates over 40% of all teachers?

Who produces more than 80% of Nebraska's dentists practicing in rural areas?

Who conducts more research that makes Nebraska healthier?

An aerial photograph of a city during autumn. The trees are in shades of red, orange, and yellow. A large, white, bold text overlay is positioned diagonally across the center of the image. The text is partially cut off at the top left. There are also some faint white geometric shapes in the top left and top right corners of the image.
